This Month's Speaker

GEORGE A. WILLIAMS, MD
Chair, Department of
Ophthalmology; Director of the
Beaumont Eye Institute and Vice
Chief of Surgical Services for
Academic Affairs at William
Beaumont Hospital
Royal Oak, MI
"Big Data and Retinal Disease"

George A. Williams, MD, graduated from the Northwestern University School of Medicine and completed a residency in ophthalmology and fellowship training in retinal and vitreous diseases at the Medical College of Wisconsin. Dr. Williams has published over 200 articles and book chapters in the field of vitreoretinal surgery. He has participated as principal investigator or co-investigator in more than 20 clinical trials. He is on the Board of Trustees of The American Academy of Ophthalmology. Dr. Williams is a recipient of the Special Recognition Award, the Secretariat Award and the Senior Achievement Award of the American Academy of Ophthalmology. He also represents the American Academy of Ophthalmology as a member of the Relative Value Update Committee of the American Medical Association.

CME Disclosure: The speaker's conflict of interest disclosure will be made at the time of the conference.

Registration

Advance registration is required. Please complete the enclosed registration form and return it to the COS office no later than 5 p.m. on December 2nd.

Annual COS dues includes attendance at the monthly dinners. Therefore, there is no charge for members in good standing.*

For non-members and guests and members in arrears, the registration fee is \$75. Residents & fellows in training are not charged a registration fee, but **advance registration is still required.**

If you do not owe any registration fees, you may fax your form to: 847/680-1682 or register online at www.ChicagoEyeNet.org.

* *Members are considered "in good standing" if their dues are paid by the time of attendance for the monthly meeting.*

Educational Items

Course Director: Suri Dwarakanathan, MD

Target Audience: Practicing ophthalmologists, ophthalmology residents and fellows

Objectives: At the conclusion of the 2016/17 series of lectures, the participant should be able to:

1. Describe surgical and medical advances in management of glaucoma, retina and corneal diseases.
2. Discuss issues relating to patient safety and surgical risks in oculoplastics cases.
3. Evaluate new options for management of glaucoma, retina and corneal disease, and describe the pros and cons when utilizing these techniques in a general ophthalmology practice.

CME Credit

This activity is planned and implemented by AXIS Medical Education, Refine Me CE, Inc. and the Chicago Ophthalmological Society. AXIS Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCM), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

AXIS Medical Education designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

There is no commercial support associated with this conference.
