Chicago Ophthalmological Society.

This Month's Speaker

HENRY JAMPEL, MD
Medical Director, Wilmer Eye
Institute - Green Spring Station
Professor of Ophthalmology
Baltimore, MD

Guest Lecture:

"Glaucoma Therapy: A Brief Recent History"

Henry D. Jampel, M.D., M.H.S., is the Odd Fellows Professor of Ophthalmology at the Wilmer Eye Institute. He specializes in glaucoma and serves as the medical director of Wilmer's Green Spring Station location. His research interests include evaluation of medical vs. surgical treatment of glaucoma in newly diagnosed patients and on imaging devices for the detection of glaucoma and its progression.

Dr. Jampel received his M.D. degree from Yale University and his M.H.S. in health finance and management from the Johns Hopkins Bloomberg School of Public Health. He completed an internship in internal medicine at Sinai Hospital and his residency in ophthalmology at the Wilmer Eye Institute. After completing a glaucoma fellowship in glaucoma at Wilmer, Dr. Jampel joined the faculty in 1988.

CME Disclosure: Consulting Fees - Gerson Lehman Group, Global Guidpoint, Endo Optiks, Ivantis, Forsight, Transcend / **Ownership interest or shareholder** - Allergan.

Registration

Advance registration is required. Please complete the enclosed registration form and return it to the COS office no later than May 20th.

Annual COS dues includes attendance at the monthly dinners. Therefore, there is no charge for members in good standing.*

For non-members and guests and members in arrears, the registration fee is \$75. Residents & fellows in training are not charged a registration fee, but *advance registration is still required*.

If you do not owe any registration fees, you may fax your form to: 847/680-1682 or register online at www.ChicagoEyeNet.org.

* *Members are considered "in good standing" if their dues are paid by the time of attendance for the monthly meeting.*

Educational Items

Course Director: Barry Herst, MD

Target Audience: Practicing ophthalmologists, ophthalmology residents and fellows

Objectives: At the conclusion of the 2015/16 series of lectures, the participant should be able to:

1. Describe advances in medical and surgical management of glaucoma, retina diseases and corneal conditions.
2. Discuss factors relating to diagnosis and treatment of pediatric eye diseases.
3. List key factors a surgeon should consider when performing combined cataract/glaucoma procedures.
4. Evaluate new options for management of glaucoma, cornea, retina and pediatric eye diseases and describe the pros and cons when utilizing them in a comprehensive ophthalmology. practice.

CME Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of SynAptiv and Chicago Ophthalmological Society. SynAptiv is accredited by the ACCME to provide continuing medical education for physicians. SynAptiv designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Exhibitors – Any exhibiting companies participating will be acknowledged at the time of the meeting.

Questions?

If you have any questions or special needs, contact the COS administrative office:

Richard H. Paul, *executive director*
